US 41 Project lane closures for September 9 – September 13

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for September 9 – September 13 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers can expect lane restrictions on US 41 near the County G overpass construction.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or unusual incidents (such as weather). In addition, the following ramps will be closed:

Monday, September 9

- Southbound and northbound US 41 on-ramps from Lineville Road will be closed from 9 p.m. to 5 a.m.
- Northbound US 41 off-ramp to Lineville Road will be closed from 9 p.m. to 5 a.m.

Friday, September 13

- Northbound US 41 on and off-ramps at Oneida Street will be closed from 7 p.m. to 6 a.m.

WIS 172

Starting on Thursday, September 12, drivers can expect a long-term ramp closure of the eastbound WIS 172 to northbound US 41 ramp. The closure is needed to reconstruct the ramp and is to be completed in February 2014. Traffic will be detoured as follows:

- **Eastbound WIS 172** traffic wanting to exit to northbound US 41 will take eastbound WIS 172 and exit at Ashland Avenue/Vanderperren Way, take Vanderperren Way west to Holmgren Way, follow Holmgren Way north to Pilgrim Way and take Pilgrim Way east to westbound WIS 172 on-ramp to northbound US 41.

Throughout the week, westbound WIS 172 between Ashland Avenue and Babcock Road will have single lane closures from 6 p.m. to 6 a.m. for grading operations. Eastbound WIS 172 will be closed at the off-ramp to US 41 on Wednesday, Thursday from 8 p.m. to 5 a.m. Traffic will be detoured as follows:

- **Eastbound WIS 172** traffic will be detoured to southbound US 41, exit at County AAA, follow County AAA east to the northbound US 41 entrance ramp, take on-ramp to US 41 northbound to eastbound WIS 172.

In addition, drivers can expect a ramp closure at northbound US 41 off-ramp to westbound WIS 172 on Wednesday, Thursday and Friday from 6 p.m. to 6 a.m. The following detour will be in place:

- **Northbound US 41** traffic wanting to take westbound WIS 172 will be detoured to eastbound WIS 172 to the Ashland Avenue exit, take Vanderperren Way west to Holmgren Way, follow Holmgren Way north to Pilgrim Way and take Pilgrim Way east to westbound WIS 172.

I-43

Drivers can anticipate a full closure of the northbound I-43 ramp to southbound US 41 on Thursday, September 12 from 9 p.m. to 5 a.m. and on Friday, September 13 from 10 p.m. to 5 a.m. Traffic will be detoured as follows:

- **Northbound I-43** traffic wanting to take southbound US 41 will be detoured at Atkinson Drive, follow Atkinson Drive south to Velp Avenue and take Velp Avenue west to southbound US 41.

Scheuring Road

The westbound lane of Scheuring Road over US 41 will close for five consecutive days from 5 a.m., Monday, September 9 through Friday, September 13 to apply an epoxy overlay to the bridge deck. Drivers will need to find an alternate route heading westbound over Scheuring Road bridge. Eastbound lanes over the bridge will be open to traffic.

All lane restrictions and work operations are weather dependent and subject to change.
